2. Setting up the Library App for Smartphones & Tablets

Using your smartphone or tablet (Apple or Android), access the relevant app store. Then search for *Library Link*, the icon is displayed to the right. Install this app onto your device.

In order to set up the app and link it to your account and the KHS Library you must access Student Portal to retrieve a QR Code.

- Using a computer open a web browser and log in to your student portal, then the 'Oliver Library' page. If you need assistance in this, use our Quick Reference Guide *entitled* "Library 1. Accessing Oliver (Online Library Database)".
- Once you have reached Oliver from your Student Portal, click on your name from the top right-hand side menu, followed by my details in the popup menu.
- In the 'My details' page, find the 'Library Link setup' button from the menu on the left-hand side and click it.
- You will then notice a unique QR code appear, leave this screen up while you complete Step 3 below from your mobile device.

The final steps will be continued overleaf.
